WHEN BLONDES STRIP OFF!

Five naked blondes in a room? That's what we call a great start to the year!

Here at *Nuts*, we love riddles. So when we were asked how many naked blondes could be crammed into a room, we put it to the test. However, by the time we counted five lovelies, the sheer sexiness of the occasion got too much for us and we had to go for a lie-down. But not before we took some pics, of course! ➔

Hi Sophie! As hostess of our **When Blondes Strip Off!** special, can you tell us why blondes are so lovely? We're just brilliant! We really do have more fun, too.

I think it's because we're so bubbly and welcoming. Don't get me wrong – I love brunettes and other hair colours. But in my opinion, blondes are the best. **What's your ultimate blonde sexual fantasy?** It would involve Jessica Simpson. She's gorgeous and has amazing boobs. I'd like to go out for a few drinks with her, then on to a lap-dancing club to give her lots of saucy ideas. Finally, we'd go back to hers for lots of blonde fun. I can't go into any more detail!

SOPHIE!

Crikey! Who's your favourite ever blonde girl? Pamela Anderson has to be the best blonde ever, doesn't she? Even now, she's really pretty and she still has massive boobs. When I was younger, I used to love watching her run in slow motion in that *Baywatch* outfit. **So did we! If they made a British version of Baywatch, would you consider going for Pammy's role?** That would be amazing! I'd probably end up knocking the other girls out with my boobs as I ran along the beach, though!

Have you ever done a sexy strip for a fella? I love stripping off in front of anyone! I think girls have nicer bodies than men, so quite a lot of the time, I'm happier to strip for a lady.

Has anyone ever stripped for you? I went to Stringfellows the other day and had a lap dance bought for me. I asked for a girl with big boobs and that's what I got. It was so sexy. I'm going again soon. **When you came out of the Big Brother house, you told us you wanted to make your boobs a bit bigger. Did you do it?** I haven't yet but I'd still like to. Actually, it's a year since I last had them done, so it's like it's their birthday today. Happy birthday, boobs!

In order to save Big Brother's falling ratings, do you think they should fill the house with sexy Nuts babes? That's a brilliant idea. They should just fill it with as many blondes with big boobs as they can find. **We'd definitely watch it! What's the weirdest thing that's happened to you since you left the house?** I've had a lot more female attention than male attention, which is weird. Loads of girls have come on to me, which I like! I've not really gone in that direction before, but you should never say never. **Finally, what can we expect from you in 2010?** I hope to do lots more *Nuts* shoots with more sexy girls, and I'd love to do a bit more TV work. Watch this space, guys! ➔

"I LOVE STRIPPING OFF!"

DANNI!

Hi Danni! Is it fun stripping with so many sexy blondes? Yeah, it's really cool! It's lovely to be with all the other girls. Sophie has mahoosive boobs, so we've all been staring at them.

If you could make a perfect girl from various bits of the ladies on today's shoot, what would she be like?

She'd probably have Rhian's legs and tummy, Sophie's boobs, Amy's face, Rhian's hair, Darcy's bum and eyes – and none of me, as they're all much sexier than I am.

Nonsense – you all look drop-dead gorgeous to us! Maybe you should form a stripping troupe and go on Britain's Got Talent?

That's a great idea. I'd love to do a striptease for Simon Cowell. I find him quite sexy, as I like guys to be really laid back, and he is. He's also really secure and confident in himself.

The £46million he has in the bank helps, too – I won't deny it!

What's the best stuff to wear when performing a striptease?

For me, there's nothing sexier than black lace underwear. Suspenders, stockings and really high heels are nice sometimes, too. I also like the whole "boots and mac with nothing on underneath" idea.

We think we need some fresh air!

If you could have a lap dance from anybody, who would it be? It would have to be a woman, as men should never lap dance! If I could pick any woman in the world, I'd choose Sienna Miller. She's so sexy, and she's not shy about getting her boobs out, either.

Do you think there a better way of keeping a bloke's attention than by performing a striptease? No. If I was stripping and there was a footy match on, I'd still hope I'd have the bloke's full attention. If I didn't, I'd dance in front of the TV until I did!

Finally, what's the naughtiest thing you've ever done? I once had sex in a field on one of my dog-walking trips. I felt really sorry for my dog – he thought he was getting a walk but ended up having to sit around while I had some sexy time in the bushes with my man. Ha-ha! ➔

"Doctor, I'm
feeling a bit faint"
"Me too!"

Hi Rhian! Is this the sexiest photo shoot ever, or what? I reckon it must be. Everywhere I look, there are girls, boobs and general nakedness. So I'm a very happy girl right now!

Do you think blondes are statistically more likely to strip than brunettes?

I know I'm more likely to. I don't think anyone has ever done any tests or anything, but it would be a good study to take on. I'd be a good subject to test, that's for sure.

Is there a secret to stripping? You have to act sexy and maintain eye contact at all times, as blokes love it when you make them feel like they're the only person in the room. Do that and believe me, they won't take their eyes off you.

Where's the strangest place you've stripped? It isn't a strange place as such, but when I go away with the other girls on modelling trips, we'll do stuff like cook dinner and do the ironing totally starkers. No, you can't come next time, cheeky!

Have you ever tried your hand at pole dancing? Yeah, I've had lessons and I'm quite good at it. It keeps you fit and looks sexy, so every girl should do it. A few people have been lucky enough to see me in action – but only a chosen few!

If you could have a lap dance from anybody, who would it be? I'm gonna pick Danni Wells, because she's bending over practising in front of me right now. She has a really sexy body and I think she'd look good on a pole. Ha-ha!

What's your favourite blonde joke? I don't like blonde jokes because they make out that we're all thick, and we're not. They're blonde-ist!

We can't wait until summer comes round again, can you? I hate winter! I can't wait for the weather to warm up, so I can get back out to Ibiza and party. I hibernate over the winter because it's so rubbish. The only good thing is that the cold makes my boobs look really pert and my nipples extra sexy.

Finally, when we spoke to Taio Cruz recently, he told us you were his favourite model – any comments?

You need to hook me up. I'm having a terrible man-drought at the moment, as I can't seem to find any nice ones. If he's nice, he can definitely have my number. That doesn't just go for pop stars, though, that goes for anybody! ➔

BLONDES STRIP OFF

PHANTOM

"Now, where did
I leave my bra?"

"But my shoes aren't on the bed!"

Hi Amy! Welcome to our **When Blondes Strip Off!** special. Isn't it a bit cold to be taking your clothes off? No way! There's no such thing as a bad time to strip – it's always amazing to get naked with a bunch of hot girls. **Have you ever done a striptease for a lucky fella?** Yes. But it didn't work out because I'd had a few drinks and I fell over! I just had a white thong and some high heels on, so it's no wonder I tripped. But I made up for it afterwards.

He sounds like a very lucky man. Where's the strangest place you've ever stripped? In Sheffield, where I'm from, there's a high street where they have these massive water fountains. Anyway, one night, I stripped off and ran through them totally naked! **Blimey! Was it a dare?** No, I just felt like doing it. Nobody saw because it was really late and there was hardly anyone around. But it was quite nippy.

Is there a better way of keeping a bloke's attention than by stripping? Well, if he wasn't watching, I think a quick slap might do the job. **If you could have a lap dance from anybody, who would it be?** Probably Danni Wells, because she's so sexy. She's just perfect all over. You

AMY! know how you can look at someone and see bits that need improving? Well, you can't do that with her. She's perfect!

We have to agree. Do you ever have "blonde moments"? All the time. I can't think of one now – that's a bit of a blonde moment for you right there. Blondes are generally a bit dippy, which is good for a laugh. I always need to think before I speak, just in case! **Finally, how amazing are Sophie's boobs in real life?** They're massive! She has this tiny waist and huge boobs. I wish mine were that big. If I had to describe Sophie's boobs in three words, I'd say they're juicy, huge and perfect! ➔

Hi Darcy! Welcome to our **When Blondes Strip Off!** special. Which is better: stripping or being blonde? I can't pick one! I really like being blonde, but stripping is a lot of fun, too. Why do I have to choose? **OK, we'll let you off. Have you ever done a sexy striptease for a lucky fella?** Yeah, I have. It was the lucky lad in question's birthday, so I invited him over to my place and gave him a treat. I sat him down in a chair, put on some really sexy music and did my thing until I was standing there totally naked. Did it go down well? You'll have to ask him that. Ha-ha!

DARCY!

Where's the strangest place you've ever stripped? I had sex in a park once. I wasn't completely naked but I stripped off some of my clothes. I'm not giving you any more detail than that, though – you'll have to use your imagination! **What's the best stuff to wear when performing a striptease?** I quite like stockings and suspenders, and I prefer thongs to knickers because they show off your bum a lot more. It all depends on the girl doing the strip, I suppose. If she has nice boobs, she should wear a really sexy bra. But girls with a nice bum, like me, need to get the thong on. **Would you say your bum is your best asset, then?** Yeah, I guess so. Photographers always want to take pictures of it, which is fine by me because I love it. How do I get it looking so good? To keep it in shape, I go running as often as possible. And to keep it looking nice and soft, I moisturise it.

Blondes have a bit of a reputation. **Do you have "blonde moments"?** Definitely! I do stupid things all the time, and I'm always asking really daft questions, like "Are blind people allowed to drive cars?" At one point, I thought there were these big signs in the sky telling planes which way they had to go! **Ha-ha! We've all done our fair share of stupid things. Tell us something surprising about blondes.** A lot of us are actually quite intelligent, despite what I just said about my blonde moments. I got really good A-level results at college, and I plan to keep up my studies. So I'm sexy *and* clever. Ha-ha! **You sound like the perfect woman! Finally, exactly how magnificent are Sophie's boobs in real life?** They're very big. Very, very big! I have quite small boobs, so hers are huge compared to mine. I didn't get the chance to get really close to them because we didn't have any boob-squeezing shots. I'd have loved to, though. If I had to describe her boobs in three words, I'd probably go for massive, round and squidgy! ■
